BETTER LENNOX

A BETTER PLACE™

LENNOX' ELITE® SERIES

Home Comfort Systems

LENNOX' ELITE® SERIES HS27 AIR CONDITIONER. ENVIRONMENTALLY SOUND ENGINEERING WITH HIGH ENERGY EFFICIENCY.

LENNOX MAKES YOUR HOME...A BETTER PLACE™.

Since 1895, Lennox has been a leader in home comfort technology. So we know what it takes to make you comfortable. It takes even temperatures, consistent airflow and the right amount of humidity. What it doesn't take is a lot of energy.

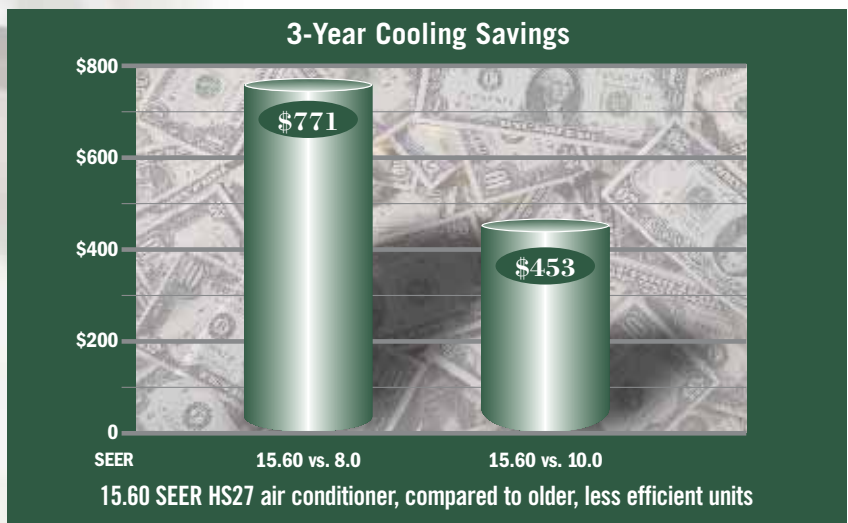

With impressive features and efficiencies, the Elite Series HS27 air conditioner delivers measurable comfort and energy

savings. And by conserving energy, the HS27 helps preserve the environment.

*It's our way of making your home, your world, **A Better Place™.***

Our most efficient single-speed air conditioner

When it comes to cooling efficiency, the higher the SEER (Seasonal Energy Efficiency Ratio) rating, the greater the savings. The **HS27 air conditioner carries efficiency ratings of up to an impressive 15.60 SEER**, which means more comfort for your energy dollars.

This chart compares the 3-year savings you can expect from an HS27 air conditioner versus units with lower efficiency ratings. Your actual savings will vary depending on the weather, local fuel rates, indoor coil and your lifestyle.

Leading the way in comfort—and energy efficiency

ENERGY STAR
Partner of the Year

In April 2003, Lennox Industries, Inc., became the first and only HVAC company to be named an EPA* ENERGY STAR® Partner of the Year. This prestigious honor reflects Lennox' ongoing commitment to producing high-quality, high-efficiency products, including the Elite® Series HS27 air conditioner and other energy-saving innovations.

HS27
AIR CONDITIONER

*Environmental Protection Agency

THE ELITE® SERIES HS27 AIR CONDITIONER DELIVERS COMFORT EFFICIENTLY AND ECONOMICALLY.

Energy Efficiency

1 High-Efficiency Outdoor Coil –

Provides exceptional heat transfer and low air resistance for high efficiency operation.

ENERGY STAR®-Qualified – This product has earned the ENERGY STAR® label which means it meets the EPA's guidelines for energy efficiency.

Comfort Cooling

2 Dependable Scroll Compressor –

Helps to precisely control air temperature for greater comfort. Insulated compressor compartment reduces operating sound.

Quiet Operation

3 Precision-Balanced, Direct-Drive Fan –

Designed to run for quieter operation.

4 Insulated Compressor Compartment –

Reduces operating sound, making the HS27 so quiet you'll hardly notice it.

Reliable Performance

5 Durable, Corrosion-Resistant Cabinet –

Cabinet is constructed of heavy-gauge, galvanized steel and protected by a baked-on finish.

6 Enhanced Coil Guard –

Protects the condenser coil, maintaining the efficiency of the unit. Heavy-gauge steel construction and noncorrosive PVC coating assure long-lasting coil protection.

7 Drainage Holes and Support Feet –

Prevent damaging moisture from collecting inside the basepan and protect the base against corrosion and wear by raising the unit off the ground.

8 High-Pressure Safety Switch –

Provides a safeguard, extending the life of the unit components.

We build to the highest standards. We stand behind our warranties.

The HS27 air conditioner is backed by a 10-year limited warranty on the compressor and a 5-year limited warranty on all remaining covered components.

Elite® Series HS27 Specifications

HS27	024	030	036	042
